## LESSON FIVE

### Essay.

1. Analyze the significance of John Cabot's voyages for England and explain why England didn't immediately pursue colonization efforts in North America.
2. Compare and contrast the motivations and outcomes of the first and second Roanoke Colony attempts. What factors contributed to their failures?
3. Discuss the various theories about the disappearance of the Roanoke Colony. Which do you find most plausible and why?
4. Evaluate the impact of England's internal affairs (such as religious conflicts and economic issues) on its early colonization efforts in North America.
5. Explain how the lessons learned from the Roanoke Colony experience might have influenced future English colonization attempts, such as Jamestown.
