 - d) Liberty only applies to governments

AMERICAN HISTORY

LESSON EIGHT

Essay.

1. Explain how the Magna Carta of 1215 contributed to the development of representative government. What specific features did it introduce, and how did these influence later governmental systems?
2. Describe the concept of "separation of church and state" as it was understood historically, according to the lesson. How does this differ from modern interpretations, and why is this difference significant?
3. Compare and contrast the actions of King Charles I and King James II. How did their approaches to ruling differ, and what were the consequences of their actions?
4. Discuss the importance of written constitutions and bills of rights in limiting government power. Use examples from the English documents mentioned in the lesson to support your answer.
5. Explain the concept of a "constitutional republic" as described in the lesson. Why did the founders prefer this system over a democracy, and what are its key features?
